The Court asked whether there was any reason why judgment should not be pronounced. Because no sufficient cause to the contrary was shown, or appeared to the Court, the Court adjudged the defendant guilty as charged and convicted and ordered that: Pursuant to the Sentencing Reform Act of 1984, it is the judgment of the Court that the defendant is hereby committed to the custody of the Bureau of Prisons to be imprisoned for a term of:

**30 months on Count 6 of the 6-Count Indictment.**

Upon release from imprisonment, the defendant shall be placed on supervised release for a term of three years under the following terms and conditions:

1. The defendant shall comply with the rules and regulations of the U. S. Probation Office and General Order 05-02;

3. The defendant shall participate in an outpatient substance abuse treatment and counseling program that includes urinalysis, breath, and/or sweat patch testing, as directed by the Probation Officer. The defendant shall abstain from using illicit drugs and alcohol, and abusing prescription medications during the period of supervision;
4. During the course of supervision, the Probation Officer, with the agreement of the defendant and defense counsel, may place the defendant in a residential drug treatment program approved by the United States Probation Office for treatment of narcotic addiction or drug dependency, which may include counseling and testing, to determine if the defendant has reverted to the use of drugs, and the defendant shall reside in the treatment program until discharged by the Program Director and Probation Officer;

5. As directed by the Probation Officer, the defendant shall pay all or part of the costs of treating the defendant's drug dependency to the aftercare contractor during the period of community supervision, pursuant to 18 U.S.C. § 3672. It is ordered that the defendant shall pay to the United States a special assessment of \$100, which is due immediately.

Pursuant to Guideline Section 5E1.2(a), all fines are waived as the Court finds that the defendant has established that he is unable to pay and is not likely to become able to pay any fine.

The Court recommends that the defendant participate in the 500-hour RDAP Program.

The Court recommends the defendant to be housed in the FCI Lompoc facility.

The Court authorizes the Probation Office to disclose the Presentence Report to the substance abuse treatment provider to facilitate the defendant's treatment for narcotic addiction or drug dependency. Further redisclosure of the Presentence Report by the treatment provider is prohibited without the approval of this Court.

It is further ordered that the defendant surrender himself to the institution designated by the Bureau of Prisons on or **before 12 noon, August 27, 2012**. In the absence of such designation, the defendant shall report on or before the same date and time, to the United States Marshal located at the Roybal Federal Building, 255 East Temple Street, Los Angeles, California 90012.

Pursuant to 18 U.S.C. § 3553(a) the court shall impose a sentence sufficient, but not greater than necessary, to comply with the purposes set forth in paragraph (2) of this subsection. The court, in determining the particular sentence to be imposed, shall consider --

1. The nature and circumstances of the offense and the history and characteristics of the defendant;
2. The need for the sentence imposed --
  - a. To reflect the seriousness of the offense, to promote respect for the law, and to provide just punishment for the offense;
  - b. To afford adequate deterrence to criminal conduct;
  - c. To protect the public from further crimes of the defendant; and
  - d. To provide the defendant with needed educational or vocational training, medical care, or other correctional treatment in the most effective manner.
3. The kinds of sentence available;
4. The guideline sentencing range;

5. The need to avoid unwarranted sentence disparities among defendants with similar records who have been found guilty of similar conduct.

The Court may change the conditions of supervision, reduce or extend the period of supervision, and at any time during the supervision period or within the maximum period permitted by law, may issue a warrant and revoke supervision for a violation occurring during the supervision period.
